

Enjoy Free Golf with Open GI

Open GI is offering all golf-loving brokers and insurers the chance to register their interest in a complimentary four-ball with Open GI directors and account management staff.

The company has taken the decision to offer a number of hosted free-of-charge places at Marriott venues across the UK to celebrate 30 years in business. You don't need to be an Open GI customer or an expert golfer, if you have a set of clubs then we want to hear from you.

Marriott golf venues can be found in a variety of locations (see below for details).

- Forest of Arden Country Club, Warwickshire
- Breadsall Priory Country Club, Derby
- Dalmahoy Country Club, Edinburgh
- Hollins Hall Country Club, West Yorkshire (Bradford)
- Meon Valley Country Club, Southampton
- St Pierre Country Club, Chepstow
- Sprowston Manor Country Club, Norwich
- Tudor Park Country Club, Maidstone
- Worsley Park Country Club, Manchester

All you need to do to register your interest is email the names of the people in your four-ball to golf@opengi.co.uk, along with your preferred venue and handicap details. Places are limited therefore early registration is recommended to avoid disappointment.
