This Policy Summary outlines the benefits, features and any significant or unusual exclusions or limitations to the above insurance covers. Your Policy Schedule will show clearly what covers you have selected.

### PERIOD OF COVER?

### CORE COVERS

For your cover to apply you must comply with the conditions of the Policy. These are explained in the Policy Conditions section at the back of the Policy Booklet. These conditions include, but are not limited to, taking reasonable precautions to prevent loss and limit damage as well as actions you must take as soon as you are aware of a possible claim. Each section of the Policy contains exclusions and you must also refer to the Policy Exclusions section of the Policy Booklet for details of exclusions that apply to the entire Policy.

In addition to the standard exclusions and limitations your Policy Schedule will advise you of any special exclusions or limitations applying only to you. These are described on your Policy Schedule as Endorsements.
