Please also refer to "**Conditions**" on pages 13-14 and "**How we settle Your claim**" on pages 34-35.

How we settle Your claim

This section details how **we** settle claims under **Your** policy. The most **we** will cover any one claim is the amount shown in **Your** policy **Schedule** unless a more specific limit applies.

We will take off the **Excess** from the amount **we** agree to settle **Your** claim. The **Excess** will apply to each separate incident.

Remember, no policy covers everything. **We** do not cover certain things such as wear and tear and maintenance. The things which are not covered by **Your** policy are stated:

- In the Conditions on pages 13-14.
- In the Exceptions on pages 15-17.
- Under what **WE** WILL NOT COVER for each Section and Sub-section on pages 18-32.

It is important to make sure that **You** understand the conditions and exceptions which apply to **Your** policy because if **You** do not meet these conditions, it may affect any claim **You** make.

Section 1: Buildings

As long as the loss or damage is covered under **Your** policy, **we** will decide whether to settle a claim by either rebuilding, repairing or replacing or by making a payment for the damaged part of the Buildings provided that:

1. Immediately before the incident giving rise to the loss or damage:
 - the Buildings were in a good state of repair and properly maintained;
 - the sum insured shown in **Your** policy **Schedule** was sufficient to allow for the full cost of rebuilding the **Buildings** in a new condition similar in size, form and style, including the Extra Costs as set out in Section 1 sub-section 15.

2. The reinstatement or repair is carried out without delay.

If repair or rebuilding is not carried out, **We** will pay the amount by which the **Property** has gone down in value as a result of the damage or the estimated cost of repair, whichever is lower.

The most **we** will pay for each incident of loss or damage is the **Buildings** sum insured or any other limit shown in **Your Schedule** or in the policy.

We will not cover the cost of replacing any undamaged item or part of an item solely because it forms part of a set, suite or one of a number of items of similar nature or design.

We will automatically reinstate the policy limits following payment of a claim, provided that all replacement or repair work is completed and any recommendations **we** make to prevent further loss or damage are carried out without delay.

Underinsurance

If at the time of damage

- a) Under section 1 the Declared Value for Buildings is less than the Reinstatement cost at inception of the **Period of Insurance** including
 - I. the additional cost of reinstatement to comply with European and Public authority requirements
 - II. architects', surveyors', consulting engineers' and legal fees
 - III. debris removal coststhe amount shall be proportionately reduced

Section 3: Rent

Following Damage to Buildings covered by Section 3 **We** will pay in respect of any Item on **Rent**

- a) the amount by which the **Rent** received by **You** during the period specified against such Item in the Policy **Schedule** falls short in consequence of the **Damage** of the Rent which would have been received had the **Damage** not occurred
- b) the additional expenditure necessarily and reasonably incurred for the sole purpose of avoiding a shortfall in **Rent** but not exceeding the amount of the loss of **Rent** which would otherwise have been payable under a) above less any savings in respect of expenditure payable out of **Rent** which reduces or ceases in consequence of the **Damage**

Underinsurance

If at the time of **Damage** the Annual **Rent** shown in the Policy **Schedule** is less than the **Rent** which would have been received during the **Period of Insurance** if the **Damage** had not occurred the amount payable in respect of loss of **Rent** will be proportionately reduced
