Important Information

How to cancel your policy

You have a statutory right to cancel **your** policy within 14 days from the day of purchase or renewal of the contract or the day on which **you** receive **your** policy or the renewal documentation, whichever is the later.

If **you** wish to cancel and the insurance cover has not yet started, **you** will be entitled to a full refund of the premium paid. Alternatively, if **you** wish to cancel and the insurance cover has already started, provided **you** have not made a claim, **you** will be entitled to a refund of the premium paid, less a proportional deduction for the time **we** have provided cover.

If **you** do not exercise **your** right to cancel **your** policy, it will continue in force and **you** will be required to pay the premium.

For cancellation outside of this statutory cooling off period **you** can cancel this insurance at any time by telephoning or writing (by e-mail or letter) to **your** insurance agent.

If this insurance is cancelled outside the statutory cooling off period, provided **you** have not made a claim and there hasn't been an incident that could give rise to a claim, **you** will be entitled to a refund of any premium paid, less a deduction for any time for which **you** have been covered. This will be calculated on a proportional basis. For example, if **you** have been covered for 6 months, the deduction for the time **you** have been covered will be half the annual premium.

If **we** pay any claim, in whole or in part, then no refund of premium will be allowed.

Cancellation – instalment payments

Time is of the essence in relation to **your** payment of the premium. If **you** pay **your** premium by direct debit and there is any default in payment, **we** will contact **you** to request payment by a given date, which will be 14 days from the date **we** contact **you**. If payment is still not received by this date, **we** may then cancel this policy. No refund or credit of premium will be due when cancellation takes place in these circumstances.

For **our** rights to cancel **your** policy please refer to the General conditions.

Changes to your circumstances

Please tell **your** insurance agent as soon as reasonably practicable if there are any changes to **your** circumstances and/or the information **you** have previously provided during the **period of insurance**, to allow **us** to reassess **your** insurance risk.

Please refer to General Conditions 4 of this policy.

If **your** circumstances change and **you** do not tell **your** insurance agent, **you** may find that **you** are not covered if **you** need to claim.

The most **we** will pay is the relevant amount shown in the schedule or this policy.

If more than one insured is named in the schedule, the total amount **we** will pay will not exceed the amount **we** would be liable to pay were there only one insured named in the schedule.

You agree that if there is more than one insured named in the schedule, the first insured listed is authorised to receive all notices and agree any changes to this policy.

9. Non vitiation

This policy will not be vitiated or avoided:

- a) so far as the facility agent is concerned, as a result of any misrepresentation, act or neglect or failure to disclose on the part of any insured party or any circumstance beyond an insured party's control; and
- b) so far as any finance party is concerned, for failure to pay any premium due without **us** first giving to the facility agent at least 14 days' notice in writing.

10. Remedies following a breach in your duty of fair presentation

Before this policy was entered into

If **you** have breached **your** duty to make a fair presentation of the risk to **us** before this policy was entered into, then:

- a) where the breach was deliberate or reckless, **we** may avoid this policy and refuse all claims, and keep all premiums paid;
- b) where the breach was neither deliberate nor reckless, and but for the breach:
 - i) **we would not have agreed to provide cover under this policy on any terms:**

General Conditions

we may avoid this policy and refuse all claims, but will return any premiums paid;

- ii) **we would have agreed to provide cover under this policy but on different terms** (other than premium terms):

we may require that this policy includes those different terms with effect from its start; and/or

- iii) **we would have agreed to provide cover under this policy but would have charged a higher premium,**

a. if the discovery of the breach arose because of a claim, at **your** option:

- i. **we** will reduce proportionately the amount paid on a claim. **We** will pay only X% of what **we** would otherwise have been required to pay, where $X = \frac{\text{premium actually charged}}{\text{higher premium that would have been charged}} \times 100$; or
- ii. **we** will pay the claim in full provided that **you** pay to **us** the additional premium that **we** would have charged, but for **your** breach of the duty of fair presentation, calculated from the start of the **period of insurance**.

NOTE: In the case of underinsurance option ii. is not available.

- b. If the discovery of the breach did not arise because of a claim **you** must pay to **us** the additional premium that **we** would have charged, but for **your** breach of the duty of fair presentation, calculated from the start of the **period of insurance**.

Before a variation was agreed

If **you** have breached **your** duty to make a fair presentation of the risk to **us** before any variation to this policy was agreed, then:

- a) If the breach was deliberate or reckless, **we** may terminate this policy with effect from the date of the variation, and keep all premiums paid;

b) where the breach was neither deliberate nor reckless, and but for the breach:

- i) **we would not have agreed to the variation on any terms:**

we may treat this policy as though the variation was never made, but will return any additional premiums paid in relation to the variation;

- ii) **we would have agreed to the variation but on different terms** (other than premium terms):

we may require that the variation includes those different terms with effect from the date the variation was made; and/or

General Conditions

- iii) **we would have agreed to the variation but would have increased the premium, or would have increased it by more than we did, or would not have reduced it or would have reduced it by less than we did:**
 - a. if the discovery of the breach arose because of a claim, at **your** option:
 - i. **we** may reduce proportionately the amount paid on a claim arising out of events after the variation. In those circumstances, **we** will pay only Y% of what **we** would otherwise have been required to pay, where Y = total premium actually charged divided by the premium that would have been charged x 100; or
 - ii. **we** will pay the claim in full provided that **you** pay to **us** the additional premium that we would have charged, but for the breach of the duty of fair presentation, calculated from the date the variation was entered into.
 - NOTE: In the case of underinsurance option ii. is not available.
 - b. If the discovery of the breach did not arise because of a claim, **you** must pay to **us** the additional premium that **we** would have charged, but for the breach of the duty of fair presentation, calculated from the date the variation was entered into.
- iv) **where we would have agreed to the variation but on different terms and we would also have increased the premium, or would have increased it by more than we did, or would not have reduced it or would have reduced it by less than we did**
 - a. **we** may require that the variation includes those different terms with effect from the date the variation was made; and
 - b. before a variation was agreed b) iii) as shown above will also apply.

12. **Unoccupied property security**

The following conditions must be complied with unless otherwise agreed by **us**, where any **building** becomes **unoccupied**:

Whether **we** or **you** bear the costs of the arbitration, or these are shared by **us** and **you**, will be determined at the discretion of the arbitrator. Alternatively, depending on **your** circumstances, **you** may be able to refer **your** case to the Financial Ombudsman Service (FOS). In either case, this will not affect **your** right to take action against **us** over the disagreement.

4. Discharge of liability

Where in **our** opinion, the amount of any claim may exceed the available limit of liability or sum insured **we** will be entitled at **our** discretion, to discharge **our** liability by paying the available limit of liability or sum insured to **you** or on **your** behalf and pay defence costs up to the date of that payment. In this situation, if at the time of payment **we** are conducting the defence of the claim, **we** will also relinquish that conduct.

If **you** or anyone acting on **your** behalf makes a fraudulent claim under **your** policy, including providing fraudulent information or documentation, **we** may:

- c) have the option to cancel the policy from the date of the fraudulent act; and
- d) keep any premium paid to **us**.

This will not affect separate claims made before the fraudulent act unless they too were fraudulent.
