We only collect and process sensitive personal data where it is critical for the delivery of a product or service and without which the product or service cannot be provided. **We** will therefore not seek explicit consent to process this information as the processing is legitimised by its criticality to the service provision. If **You** object to use of this information, then **We** will be unable to offer **You** the product or service requested.

How Long Do We Keep Your Information For?

We will not keep **Your** personal information longer than is necessary for the purpose for which it was provided unless **We** are required by law or have other legitimate reasons to keep it for longer (for example if necessary for any legal proceedings). **We** will normally keep information for no more than 6 years after termination or cancellation of a product, contract or service **We** provide. In certain cases, **We** will keep **Your** information for longer, particularly where a product includes liability insurances or types of insurance for which a claim could potentially be made by **You** or a third party at a future date, even after **Your** contract with **Us** has ended.

This may result in the products and services which **We** supply, no longer being available to **You**. Where **We** have no legitimate reason to continue to hold **Your** information, **You** have the right to be forgotten. **We** may use automated decision making in processing **Your** personal information for some services and products. **You** can request a manual review of the accuracy of an automated decision that **You** are unhappy with.
