Important notice to policyholders

Tradesmen and Professionals

We are introducing changes to your policy which take effect from your renewal date. This notice summarises the changes we have made to our standard policy wording.

What you need to do next

We have outlined what's changed below. You need to read this information alongside your new policy schedule to understand if this change applies to you. Your policy schedule will show which sections of cover are operative.

This summary does not contain the full terms and conditions of your insurance. You can find these in your new policy wording. This summary is for information purposes only and does not form part of your insurance contract.

Where we have made changes to your policy endorsements, any new wordings will be shown in your policy schedule and you should check these carefully.

What's changed?

GDPR (General Data Protection Regulation) Changes

As a result of changes introduced by GDPR, we have amended the Data Protection cover under the Public liability section of your policy and increased the limit to £1,000,000 in any one period of insurance. Please refer to your policy wording for full details of the changes.
