2. You must tell us about changes in your circumstances

You must tell us, the company or your broker as soon as reasonably practicable about any material change in your circumstances and/or any change in material facts.

Written evidence of such inspections and any remedial work must be retained by you and made available to us upon request.

Provide your broker with full details of your claim as soon as possible after the event and always within 30 days.

You must take all steps necessary to reduce further loss, damage or injury.

2. How we settle claims under this policy

The most we will cover any one claim is the amount shown in your schedule unless a more specific limit applies.

We will take off the excess from the amount we agree to settle your claim. The excess will apply to each separate incident.

Remember, no policy covers everything. We do not cover certain things such as wear and tear and maintenance. The things which are not covered by your policy are stated:

- In the Important Conditions, the Claims Conditions and General Conditions on pages 13-17, as well as the Special Conditions to Section 3 on pages 28-29.
- In the General Exclusions on pages 18-20.
- Under what we will not cover for each Section and Sub-section on pages 21-30.

It is important to make sure that you understand the conditions and exclusions which apply to your policy because if you do not meet these conditions, it may affect any claim you make.

Section 1: Buildings Settlement

In the event of a valid claim for loss or damage to buildings, we will decide whether to settle a claim by either;

- rebuilding, repairing or replacing; or
- by making a payment for the damaged part of the buildings.

Our basis of settlement will depend on;

- the buildings being in a good state of repair and properly maintained;
- the building sum insured shown in your schedule is enough to allow for the full cost of the rebuilding the buildings in a new condition similar in size, form and style, including the **“Additional professional fees and regulatory costs”** on page 24; and
- the reinstatement or repair is carried out without delay.

Underinsurance – Penalty

Your policy depends on you having the correct sums insured. If at the time of loss or damage the total of your sums insured on buildings specified in your schedule is less than 85% of the reinstatement cost of the buildings covered by this Section 1, we shall bear only that proportion of the loss or damage which the total of your sums insured on buildings bear to the total reinstatement cost. For example, if your sum insured only covers one half of the total of the reinstatement cost of the buildings, we will only pay one half of the cost of repair or replacement and you would have to pay the remaining half of the reinstatement cost.

If your buildings are underinsured at the time of loss or damage, we will only make a payment for the damaged part(s) of the building. Your buildings claim may also be subject to the above paragraph.

If repair or rebuilding is not carried out within a reasonable period of time, we only will pay the amount by which the property has gone down in value as a result of the loss or damage; or the estimated cost of repair, whichever is lower.

The most we will pay for each incident of loss or damage is the buildings sum insured or any other limit shown in your schedule or in this policy.

We will not cover the cost of replacing any undamaged item or part of an item solely because it forms part of a pair, set, suite or one of a number of items of similar nature or design.

We will automatically reinstate the policy limits following payment of a claim, provided that all replacement or repair work is completed and any recommendations we make to prevent further loss or damage are carried out without delay.

3. If you make a fraudulent claim

If you or anyone acting for you makes a claim under this policy which is fraudulent:

- we will not pay your claim;
- we may recover from you any sums which we have paid to you in respect of your claim; and
- we may, by notice to you, treat this policy as having been terminated with effect from the time of the fraudulent act.

If we treat this policy as having been terminated:

- we may refuse to pay any claims relating to an event occurring after the fraudulent act took place; and
- we may keep all premiums that you have paid to us under this policy.

If false or inaccurate information is provided and fraud is identified, details will be passed to fraud prevention agencies and we may share information about you with other organisations including the police.

General Conditions

1. Other insurance

If You claim under this policy for something which is also covered by another insurance policy, we will only pay our share of the claim. You must give us full details of the other insurance policy.

2. Sanctions Limitation and Exclusion Clause

We shall not provide cover nor shall we be liable to pay any claim or provide any benefit referred to in this policy to the extent that the provision of such cover, payment or such claim or provision of such benefit would expose us to any sanction, prohibition or restriction under United Nations resolutions or trade or economic sanction, laws or regulations of the European Union, United Kingdom or United States of America.

3. Subrogation

Where we are entitled to be subrogated in respect of any loss or liability, any claimant under this Policy shall, at our request and our expense allow to be done anything that may be necessary for the purpose of enforcing any such rights and remedies in order to obtain recovery from other parties, whether before or after any payment made by us.

4. Several Liability

The liability of us under this Policy is several and not joint with other insurers party to this Policy. An insurer is liable only for the proportion of liability it has underwritten. An insurer is not jointly liable for the proportion of liability underwritten by any other insurer. Nor is an insurer otherwise responsible for any liability of any other insurer that may underwrite this Policy.

5. Contracts (Rights of Third Parties) Act 1999

No member of the public will have, or be able to enforce any term of this policy under the Contracts (Rights of Third Parties) Act 1999. This does not affect the rights or remedies available to a member of the public, apart from this Act.

6. General Interest Clause
